

LE BONNE ENTENTE
QUÉBEC

Host a Sustainable Event at Le Bonne Entente

Located just 20 minutes from Old Québec, **Le Bonne Entente** invites you to combine exceptional event experiences with environmental responsibility.

By choosing our establishment for your event, you contribute to reducing your ecological footprint while offering your guests a refined experience.

Our Commitments:

- **Local and sustainable cuisine:** Our culinary offering highlight, locally sourced Quebec products, carefully selected for their freshness and quality.
- **Responsible choices:** We offer organic coffee and fair-trade certified wines.
- **Low-flow toilets** in several rooms, saving more than 500,000 liters of water per year.
- **Waterless urinals** in several public restrooms to optimize water resource management.
- **Energy-efficient light bulbs** installed throughout the property.
- **“Save the Planet” program:** Towels are replaced only upon request, reducing water and detergent consumption.
- **Internal photocopies** printed on 100% post-consumer recycled paper, saving 66 trees, 180,000 liters of water, and avoiding the emission of four tons of greenhouse gases each year.
- **Responsible waste management:** Composting and recycling of paper, plastic, glass, and metal.
- **Carbon footprint reduction:** Use of compactors to optimize waste management and limit CO₂ emissions.
- **Eco-friendly containers:** Priority given to biodegradable and compostable materials.
- **Sustainable mobility:** Numerous electric vehicle charging stations available for our guests.
- **Support for local talent:** Priority hiring of collaborators from the region.
- **Community involvement:** Active support for local organizations and events through donations, scholarships, and partnerships.
- **Universal accessibility:** Kéroul certification ensuring accessibility for guests with reduced mobility.

A Few Tips to Make Your Event Even Greener:

- Send invitations and documents by email whenever possible.
- If printing is necessary, use recycled paper and print double-sided.
- Collect name tags at the end of the event for reuse or recycling.
- Encourage participants to use public transportation or carpooling.

Thank you for helping us preserve the beauty of our environment while creating memorable experiences.
